DO No. SD-14015/1/2022-O/O.PMKVY

28<sup>th</sup> February 2023

Dear Ma'am/ Sir,

As you are aware, Skilling was one of the sub-themes under the pillar of Inclusive Development in the 2<sup>nd</sup> National Conference of Chief Secretaries held during 5<sup>th</sup> - 7<sup>th</sup> January 2023. All States and UTs had extensive discussion and deliberation on the issues and challenges in Skilling and, several suggestions and recommendations had emerged from these discussions. Inputs were also received from Industries, Academia, and other stakeholders in the skilling eco-system.

2. All such suggestions and recommendations, which had emerged in the process of deliberation, were presented in the conference before Hon'ble Prime Minister. Effective Implementation of these recommendations will give a fillip to quality and enhance the access to skilling. All these would help create a vibrant skilling environment and provide an opportunity for every youth for skilling, up-skilling, and re-skilling in courses of their choice.

3. Enclosing herewith the recommendations, I would sincerely request you to take appropriate action for their time-bound implementation. It would be desirable to have regular reviews at your level so that progress in the implementation are updated on a regular basis.

With regards,

Yours Sincerely

Atul Kumar Tiwari

S.No.	Action Points from 2 <sup>nd</sup> National Chief Secretaries Conference
1.	District Committee may be strengthened & empowered for convergence of all the Skill Development Schemes of Centre & State Government.
2.	A State Skill Development Plan may be prepared incorporating all the Skilling schemes of States and Central Government.
3.	All the skilling schemes of Central/State Governments may be onboarded on the Skill India Portal/Skill India Digital for convenience of the candidates; avoid duplicity and prevent malpractices.
4.	State Educational/Technical Boards can be advised to approach NCVET for being recognized as Awarding Bodies for Skill Certification in Educational Institutions.
5.	All Higher Educational Institutions should be advised to facilitate the students to avail apprenticeship facilities.
6.	States like Assam, Karnataka, and West Bengal have expanded and upgraded their ITIs through Industry-partnership. In these projects, Industries have contributed close to 80% of the total project cost. States can study such models and consider replicating such initiatives.
7.	To create a quality pool of Trainers and Assessors, States may set up Training exclusively for trainers and assessors in Skilling ecosystem.
8.	To improve the gender inclusiveness across the Skilling ecosystem, States can provide residential facilities in ITIs.
9.	Special initiatives may be taken for Skilling of Divyang and the marginalized sections of society.
10.	To improve the representation from marginalized and underrepresented communities and geographies, States should develop the course content in vernacular languages.
11.	The informal workforce constitutes more than 80 per cent of the total workforce in India. To promote the technology driven skilling of traditional art & crafts, States may take special projects and schemes in these sectors.
12.	Many ITIs are offering Industry 4.0 relevant courses in AR/VR, Drone technology etc. States can focus on bringing more Industry 4.0 relevant courses in ITIs and other Skilling centres.
13.	Efforts should be made to facilitate Skill Loans to the candidates.
14.	Aadhaar authentication for registration of candidates in all Skilling Schemes may be made mandatory.
15.	For making standardised delivery of skills training through unified course curriculum, NSQF aligned courses can be adopted across all Skilling Schemes.
16.	In order to ensure uniformity and bring standardisation across all Skilling Schemes, States can advise the Department/Implementing Agencies to follow Common Norms notified by Govt of India.
17.	State Quality Cell can set up and made functional to ensure Standardization in content, course delivery, assessment, certification across all Skilling schemes implemented in the State.
18.	To weed out duplicity and fake certification, strict monitoring may be introduced in all Skilling Schemes through Computer-based test, Blockchain for certification, Livestreaming, and other suitable modes.
19.	States/UTs may set up Institutional mechanism to promote international mobility. Skill India International Centres may be established in respective States/UTs in collaboration with NSDC International.
20.	Many States like Kerala, Karnataka, Telangana etc have special agencies for facilitating international mobility. Such agencies may be advised to collaborate with NSDCI to augment the overseas mobility of Indian Skilled workforce.
21.	States can offer preferential recruitment of NSQF certified candidates for various vacancies in State Government offices and institutions. Further, States can also advise the various Industries to appoint candidates trained and certified in NSQF aligned Skill India courses.
22.	States can also make Skilling aspirational by conducting activities like convocation ceremony for ITI and other Skill trained candidates.
